

Mepal & Witcham Digital Camera Club

Welcome to the Mepal & Witcham Digital Camera Club, we formed in March 2006 and have a good membership.

We meet every Wednesday evening at the White Horse in Silver Street, Witcham at 7.00pm.

With the help from
George Hollis (computer/photography tutor),
Terry Thorpe (professional photographer)
John Wells (computer/Web/photography advisor)

we have made great strides in improving our photography skills and we would like to thank them for their time and great patience.

With a grant from Community Champions we have now the ability to produce DVD films (Jill's Mepal Walk and St. Martin's Church project) which have been very successful.

If you are interested in joining or want more information please e-mail us on
