

# Open Day

## Ely Police Station

**Sunday 21 September 2008 12:00 to 16:00**

The Open Day will involve meeting all ranks of Police Staff at Ely, and having a good look around the Police vehicles as well. Finger printing and a look around the cells will also be available. Unfortunately the dungeons and torture chamber will be out of bounds, due to the Human Rights Act!

I hope you will all find time to come along, and please tell other people you may think will be interested.

Hopefully see you all there.
