

MEPAL AND WITCHAM PRE-SCHOOL

Situated in the school grounds of Mepal village, Mepal and Witcham is a community pre-school, which is affiliated to the Pre-school Learning Alliance and the Early Years Childcare and Development Partnership (EYCDP). We comply with Ofsted standards and recently underwent an Ofsted inspection when our standards of provision were rated as very good. For a copy of the report, please see the website: www.ofsted.gov.uk

We have children from the surrounding towns and villages including places like Sutton. Many of the children go on to Mepal and Witcham Church of England Primary School and we maintain a strong link with the school, especially for the rising 5's in their final term with us.

We provide a safe and stimulating environment in which children are encouraged to learn through play. Achieving this involves everyone, the children, the staff and their supporting Committee team, and of course you, the parents.
