

## Police Force launches new Telephone Number

We have now launched a dedicated phone number for people with communication difficulties.

The police enhancement access line (PEAL) is available 24 hours a day for non-emergency calls for anyone who has a communication difficulty.

Those wanting to use the system must register first to ensure their details are already in the system. They will then be given the dedicated number which allow them to contact specially trained call taker.

The scheme can be used for all non-emergency calls. In the event of an emergency people should always call 999.

For more information about the scheme contact the police service centre on 0345 456 456 4 or visit the force website – [www.cambs.police.uk](http://www.cambs.police.uk).
